Notes:

- ① The prescribed forms can be downloaded and printed out from our website:
URL <http://istc.doshisha.ac.jp/en/admission/admission.html>
Submission documents must be typed (other than applicant's signature and date) or filled out in black or blue ink with a ballpoint pen. Documents completed in pencil will not be accepted. Do not use correction tape or correction fluid.
- ② Fill out the forms in English.
- ③ Application document such as Certificates of Graduation (Completion) or Official Transcripts provided in a language other than Japanese or English must be accompanied by a Japanese translation notarized by a diplomatic mission in Japan, such as a consulate or embassy, to certify that the translation of the document is faithful to the original. Diplomatic missions of some countries and regions (e.g. China) in Japan do not certify any translation of issued documents. In that case, translation must be notarized in home country. Be sure to prepare well in advance. If a translation issued by a diplomatic mission is unavailable, a translation by the applicant's university or applicant's Japanese language school is acceptable, in such a case, the translation must be affixed an official seal by the university or Japanese language school.
- ④ **Documents submitted will generally not be returned to the applicant;** however, document(s) that cannot be reissued, such as a diploma, may be returned. If you submit original documents and would like to have them returned, please enclose a request for returning original document in the application packet, indicating which document(s) you wish to have returned as well as your name and address to which the document should be returned. **We will return such document(s) only when a request for returning original document is enclosed in the application packet.**
- ⑤ Applicants should note that the University will not accept inadequately completed application documents. Before submitting your documents, double check them using the "List of Required Documents".
- ⑥ Any changes or retractions of the contents in the application documents will not be allowed, after the application has been accepted.

IV. Screening Process

The admission decision will be made by comprehensive consideration of application materials. You may be requested to submit additional documents if necessary. An interview over the internet may be held or a question-and-answer email may be sent to the applicant's email address provided on the application form. **Be sure to check your email account so as not to miss the notification.**

V. Notification of the Results

The result of the selection will be sent out to both successful and unsuccessful applicants by express mail no later than **November 30, 2017** (for April 2018 entry) and **May 17, 2018** (for September 2018 entry). For the successful applicants, guidance for Initial Registration Procedures will be enclosed in the notification packet. Applicants will not be notified of the results through the University's notice board or by inquiry on the phone.

*The University shall not be liable for any circumstances incurred in the course of delivery of the result, including, but not limited to, lost of mail and compromise of personal information.

Section B: Registration Procedures

VI. Initial Registration Procedures

Applicants should complete the following registration procedures by the deadline. Please refer to the instruction for Initial Registration Procedures enclosed in the “Notification of Acceptance” for details. Admission will be denied if the registration procedures are not completed by the deadline.

Payment of Initial Registration Fee

Applicants residing in Japan

Entry	Payment Period
April 2018	February 6, 2018 – March 15, 2018
September 2018	August 20, 2018 – September 3, 2018

(1) Method of Payment:

Please make telegraphic transfer from a bank counter by using the payment slip for remittance to Doshisha University.

(2) Amount of Payment:

Prescribed amount of Initial Registration Fee must be paid. Details will be in the instructions for Initial Registration Procedures.

*As soon as the University has confirmed the receipt of the fee, an “Admission Certificate” will be sent to the applicant.

Applicants residing outside Japan

Entry	Payment Period [Step 1 – ①]/ Submission Deadline [Step1 – ②]
April 2018	December 21, 2017
September 2018	May 31, 2018

Successful applicants will be required to complete the Initial Registration Procedures as below. These procedures may change. Please follow the guidance provided in the “Notification of Acceptance and Initial Registration Procedures” to be sent to successful applicants.

There will be three steps for the initial registration. In these steps, payment of fees must be done from a bank counter. Details for method of payment and amount of payment will be given in the instructions for Initial Registration Procedures.

[Step 1]

- ① Applicants must pay the Registration Fee by the deadline.
*Upon enrollment, the Registration Fee will be referred to as the Admission Fee.

- ② Applicants are also required to submit the all necessary documents to obtain a Certificate of Eligibility for a “Student” resident status in Japan (such as application form and materials concerning the payment of expenses for the stay in Japan). Please send those documents to the Office of International Students, International Center by the deadline.

*For applicants who completed [Step 1], Doshisha University will apply by proxy for the Certificate of Eligibility at the Immigration Bureau, Ministry of Justice.

[Step 2]

After the Certificate of Eligibility is issued, applicants will be informed about the payment of the remaining amount of Initial Registration Fee. Applicants should pay the required amount, which is the Initial Registration Fee minus the Registration Fee paid in [Step 1].
As soon as the University has confirmed the receipt of the fee, the Certificate of Eligibility and the Admission Certificate will be sent to the applicant.

[Step 3]

Upon receiving the Certificate of Eligibility and the Admission Certificate after [Step 2], the applicants must apply for a “Student” resident status by bringing the Certificate of Eligibility and the Admission Certificate to the Japanese Embassy or the Japanese Consulate in his/her home country.

*In certain cases, this application process may need to be modified depending on changes in the Japanese Immigration Office regulations. The University will notify successful applicants of any changes.

*Applicants must enter Japan with a valid “Student” visa on their passports unless they hold Japanese citizenship. Applicants who do not have a “Student” visa may have to leave Japan and then re-apply for a “Student” visa at the Japanese embassy or consulate.

Notes:

Once received, the Admission Fee (equivalent to the Registration Fee) will not be refunded under any circumstances. Only in the case the applicant goes through the prescribed cancellation procedure by the deadline stated below, the amount after deduction of the Admission Fee from the Initial Registration Fee will be refunded to the applicant.

Entry	Cancellation Deadline
April 2018	Postmarked: Saturday, March 31, 2018 when sending by post
September 2018	Postmarked: Thursday, September 20, 2018 when sending by post

Those who have already received the “Certificate of Eligibility” must return this to the Office of International Students along with the prescribed cancellation procedure. For details, refer to the guidance for Initial Registration Procedures.

VII. Submission of Documents

- (1) Submission Date: The day of the Orientation in Kyotanabe Campus after enrollment
- (2) Method: In person
- (3) Submit to: The Office of Faculty/Graduate School of Science and Engineering, Doshisha University (Kyotanabe Campus)
*Office Hours: 9:00 - 11:30, 12:30 - 17:00 (Japan Standard Time)
- (4) Required Documents:
 - Certificate of Graduation/Completion – required only for those who submitted a Certificate of Expected Graduation/Completion at the time of application.
 - Certificate of Items Stated in Resident Register (Juminhyo Kisaijiko Shomeisho).
 - Notification of Contact Person (prescribed form to be sent to successful applicants):
A contact person must be the applicant's father or mother in principle (any place of residence accepted). This contact person must be designated to maintain communication with the University during the applicant's absence, and responsible for delivering messages/information from the University to the student.

Important Notes:

1. Students will be required to hold a “Student” resident status in principle as prescribed in the Immigration Control and Refugee Recognition Act unless they hold Japanese citizenship. It will not be allowed to stay on short-stay visa.
2. Permission of the Certificate of Eligibility is granted by the Ministry of Justice. If and when such permission is not granted, the University takes no responsibility and may deny admission. Also, students who have lost status of residence will be dismissed.
3. When requested by the Japanese Government, governmental offices of other countries involved or foundations in Japan and abroad, overseas institutions having academic exchange agreements with Doshisha University, or if the applicant has been granted a scholarship by any of the above organizations, application documents not prescribed by Doshisha University may be accepted and screened at a time other than the normal schedule.
4. When requested by any of the organizations described above and deemed necessary by Doshisha Graduate Schools, enrollment other than April and September may be approved. Also, with such request and necessity, a Special Student may be permitted to enroll for a period other than Special Students’ normal length of enrollment, which is no less than six months and no more than one year in principle with an extension for enrollment for up to one year possible upon screening.
5. If you have any questions concerning the application, please contact the Section for International Admissions, Office of International Students, International Center (Imadegawa Campus).
6. Admission may be denied if any of the contents of the application form or the submitted documents is not true and correct.
