

Welcome to
Doshisha University

CO-LEARNING PROGRAM

A • B Group

Ryouta Nakahara Miku Hatatani
Yuri Hatatani Nene Matsuo Yuko Nishino
Nguyen Phuong Thi Minh Zou Shuai
Agyapong Elvis Kofi Mzinyati Thabiso Edward

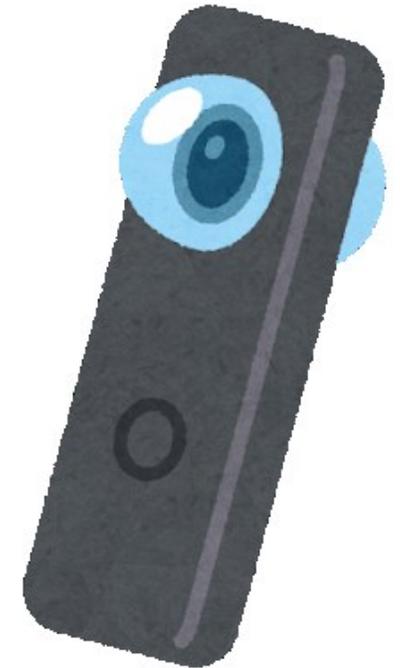

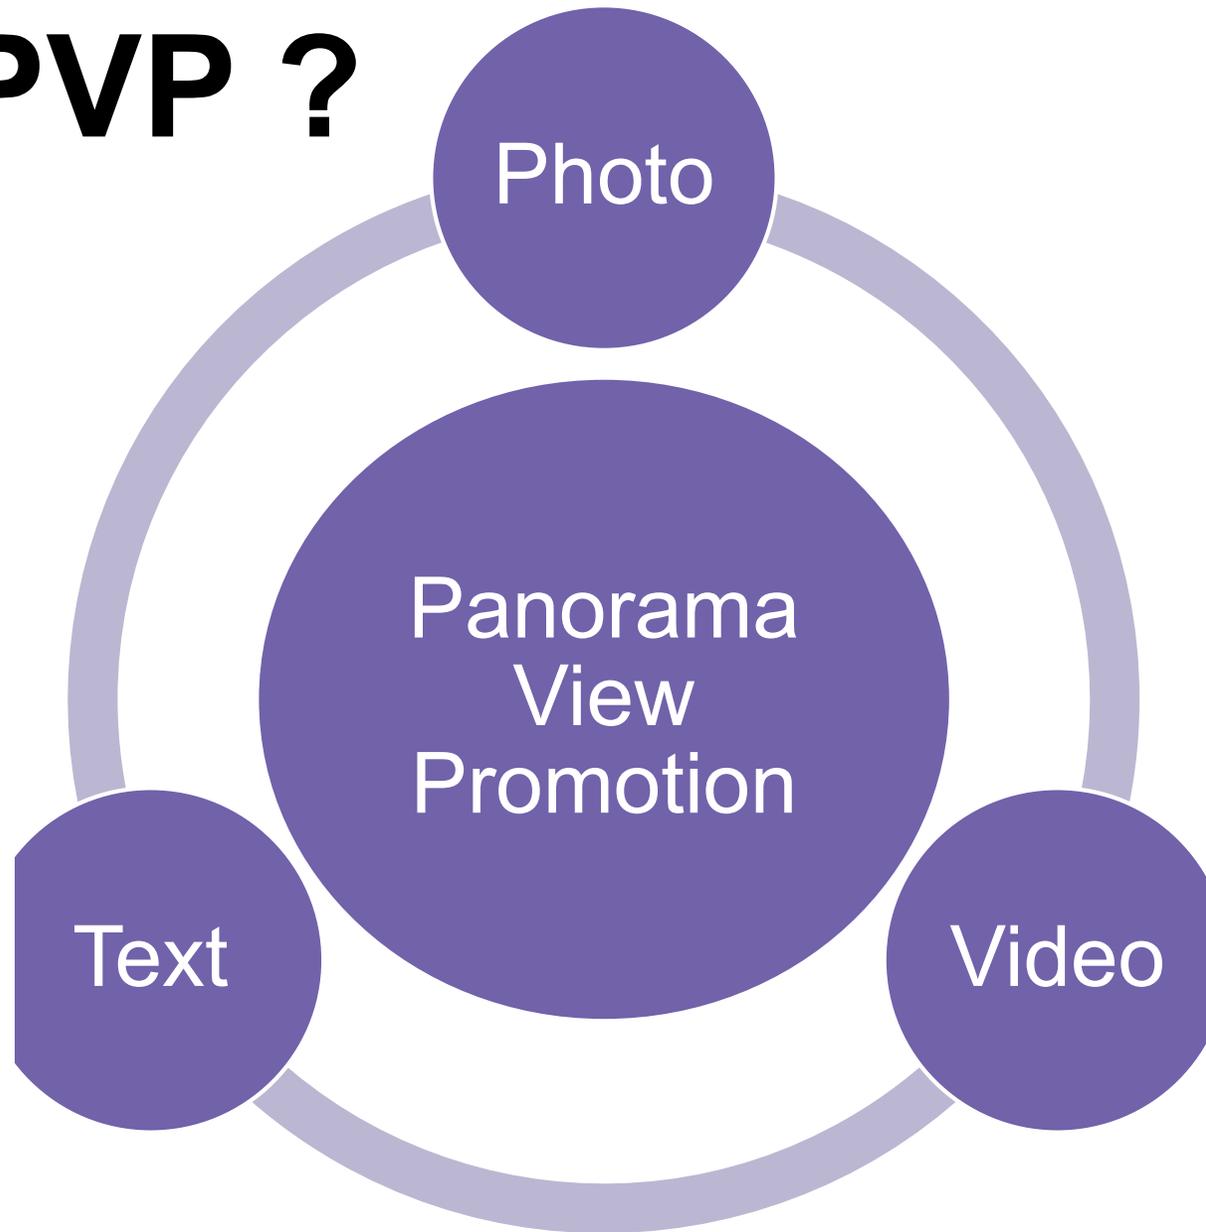

Introduce our University !

To increase foreign exchange students

to make the public relations tool

Using the PVP

What is PVP ?

Budget

Expenditure

Expenditure Items	Amount
PVP creation commission	540,000 yen
Total	540,000 yen

Selected Laboratory

Laboratory of
Electrons

**Biomedical
Science Labs**

Genetic code
Laboratory

Science of Environment and Mathematical Modeling

- Earth System Science / Environmental Magnetism Laboratory

Applied Chemistry

- Functional Organic Chemistry Laboratory
- Molecular chemical engineering laboratory

Mechanical Engineering

- Metallic Materials Science Laboratory
- Heat Transfer Laboratory

Electrical and Electronic Engineering

- Laboratory of Ultrasonic Electronics
- Applied Physics Laboratory

Information and Computer Science

- Spoken Language Processing Laboratory
- Co-Creation Informatics Laboratory

Schedule

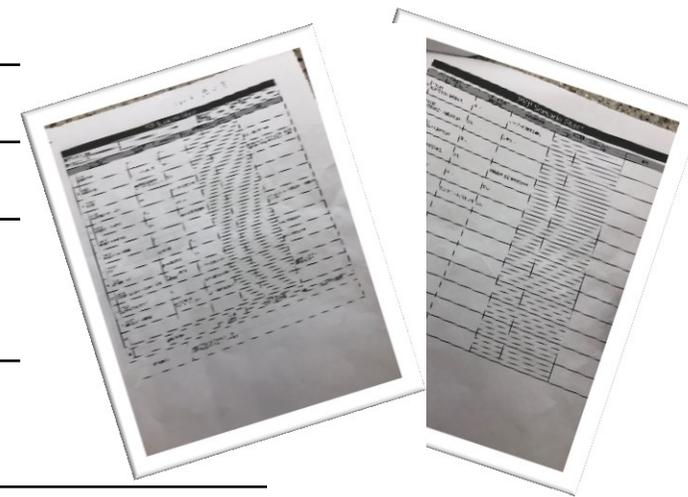

- Beginning of Fall semester group meeting
- November 12th: TAIHEI Printing Co. meeting
- Beginning of December: The conception determination of the details of contents, text creation-English translation
- December 27th-28th: Laboratory & Campus shooting
- Beginning of January- Beginning of February: PVP data delivery from the supplier.
- The middle of February To the last ten days of February :
 - PVP data proofreading, confirmation and completion
- In March: The outcome of PVP is introduced to the cooperative schools, HP, SNS and the Japanese language schools, etc.

Schedule

Time Schedule ~Shooting Day~

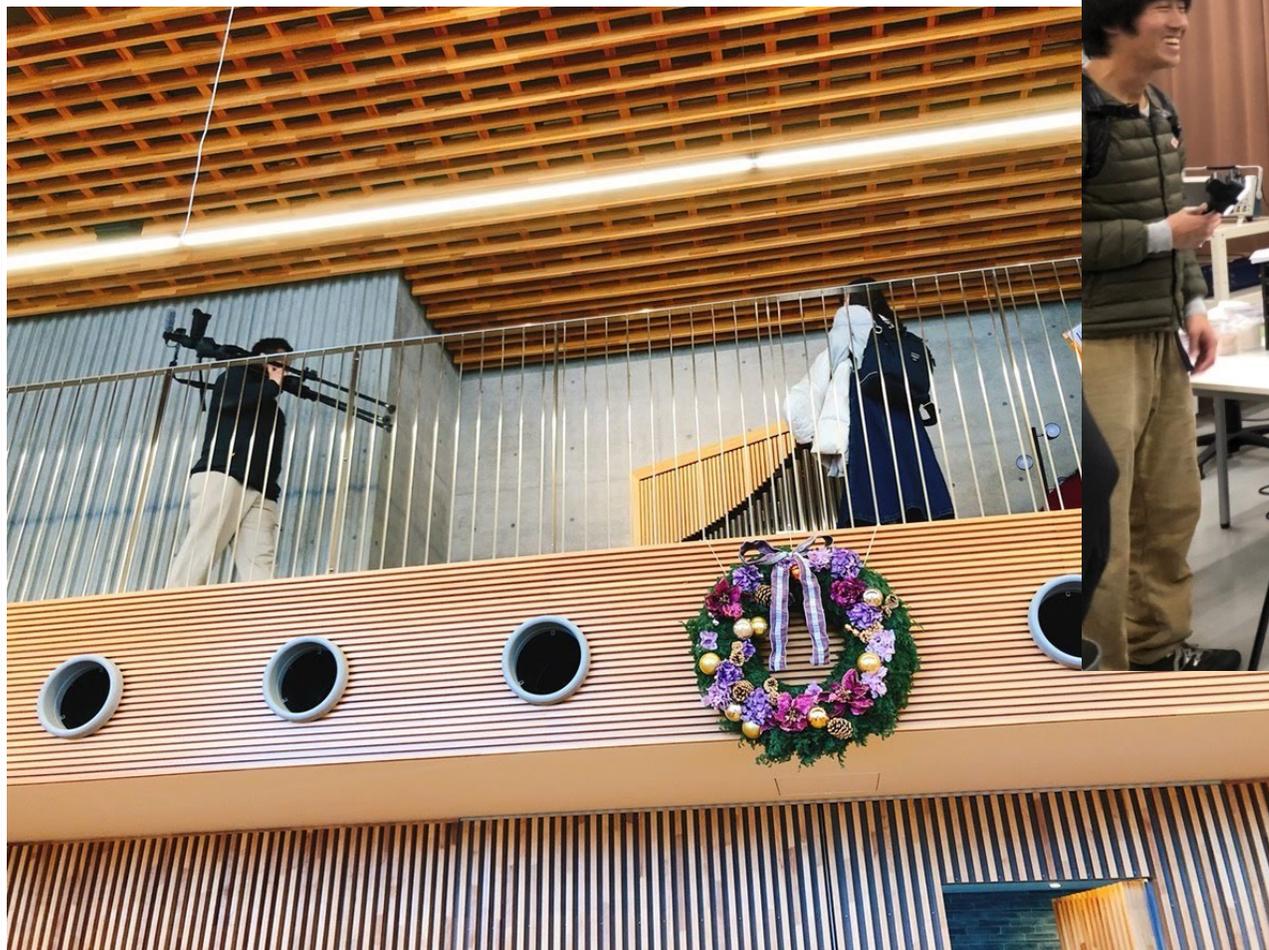

12/27		12/28	
9:00	Library Entrance	10:00	Heat Transfer Laboratory
9:30	Library/Learning Commons	11:00	Manufacturing System and Design Laboratory
10:00	Chapel	12:00	~Lunch Time~
11:00	Laboratory of Ultrasonic Electronics	13:00	Molecular Chemical Engineering
12:00	~Lunch Time~	14:00	Earth System Science/Environmental Magnetism Laboratory
13:00	Co-Creation Information Laboratory	15:00	International Community Lounge
14:00	Laboratory of Ultrasonic Electrons	16:00	Student Dormitory/Lobby
14:30	Genetic Code Laboratory		
15:00	Gymnasium		
16:00	Applied Physics Laboratory		
17:00	Functional Organic Chemistry Laboratory		
18:00	Spoken Language Processing Laboratory		

Day1

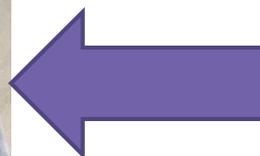

Chapel

Laboratory of Ultrasonic
Electronics

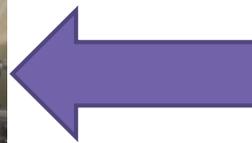

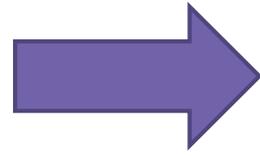

Co-Creation Information Laboratory

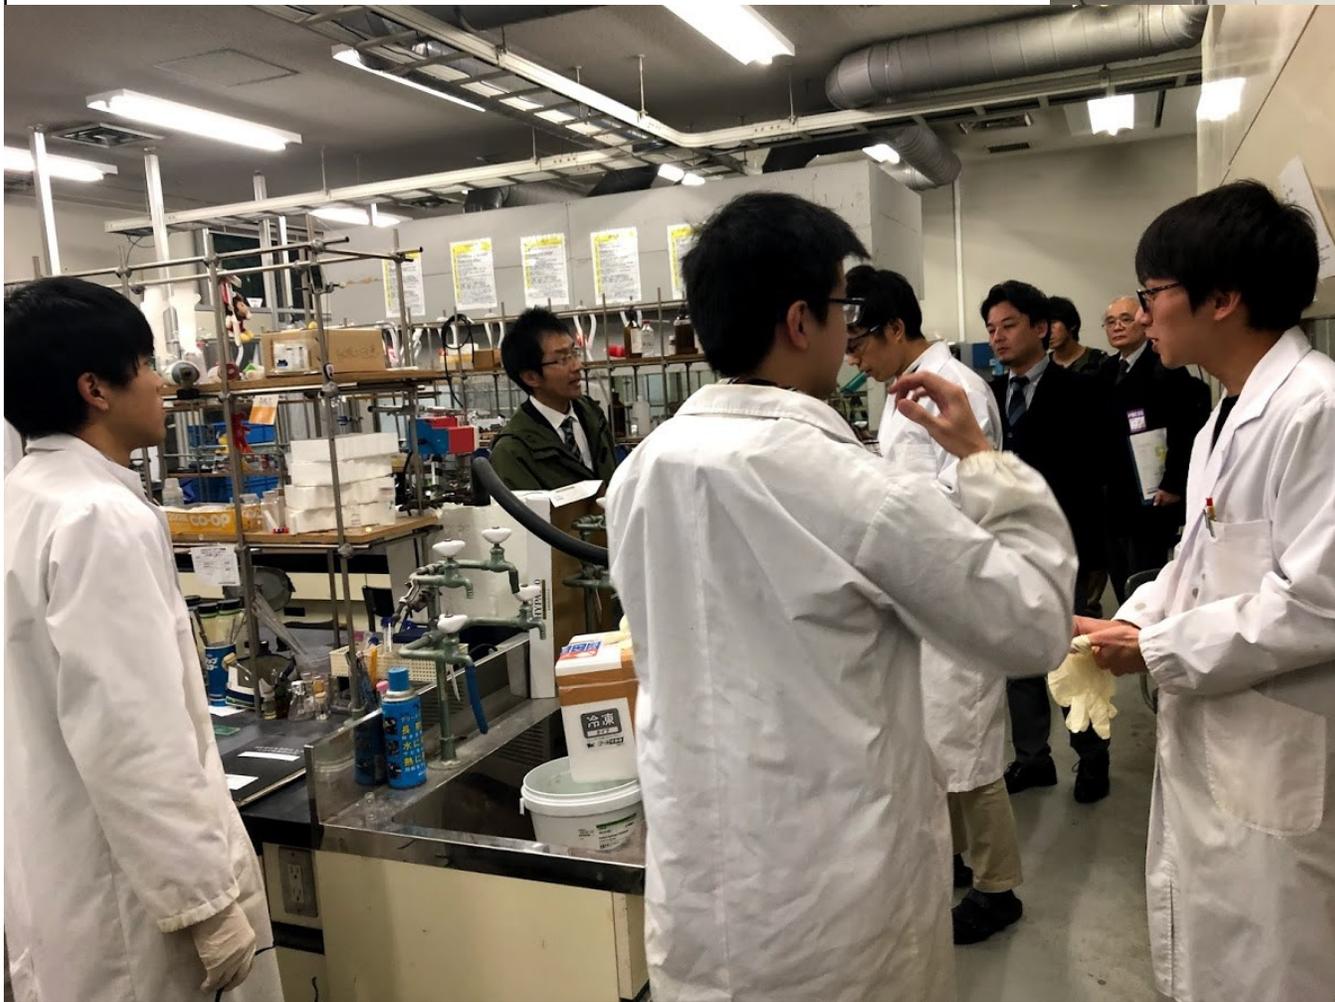

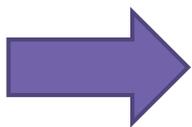

Also, our selfie 😊
